FRIDAY 10TH JULY 2026

National Nurturing
School Award
2026

What a very hot week it has been! The children have behaved marvellously despite the muggy weather. A prospective parent I spoke with today described the heat as being comparable to that 'of a seat on a back of a bus!' which has felt very true! As we approach the final week of the Summer term before the holiday, please familiarise yourself with the dates ahead and information below.

End of Year Reports: We have made some alterations to our report format this year. Rather than receiving a printed copy, your child's report will be shared with you **digitally via email**. Whilst the presentation is different, the information within the report remains the same. The reports will also be available to view on the parent portal.

We would encourage you to take some time to read your child's report carefully. Our teachers invest a great deal of time and thought into writing the personalised comments for every child, reflecting on their achievements, progress and the many ways they have grown throughout the year. We hope these comments provide a meaningful celebration of all that your child has accomplished and the memories they have made during the year.

We appreciate that any change can take a little getting used to, but we hope you will find the new digital report both convenient and accessible. Thank you, as always, for your continued support.

Eco Flag raise: Yesterday, many of our eco-representatives visited the Ryhall Flag pole to raise our new Eco Green Flag! Congratulations to all of those in achieving this great milestone 😊

Trips and visits: lots has been happening this week including the trip of Y4 and Reception to Nene Valley Park, and our Year 6's to the Warning Zone. Both trips provide great activities that educate, and are lots of fun. Thank you to the teachers, staff and supporting adults who enable the trip to go ahead successfully.

Ice poles: Thanks once again to FORA for the ice poles that have been bought for the children this week!

We hope you have a lovely weekend – with the Village Fete on I'm sure there'll be lots to do! See you on Monday!

Best wishes, Mr Reed 😊

MESSAGES FROM THE OFFICE

Dear Families,

Free School Meals Eligibility Check – changes are being made to eligibility criteria. ***If you currently receive this support, you will need to complete a new check to continue from September.*** As the government have updated the criteria, some families who were not previously eligible may now qualify. We are seeing lots more families qualifying for free school meals under the new criteria so it is worth filling in to double check your eligibility. Please use [this link](#) so that Rutland County Council can assess your application. They will inform the school of the outcome, and we will contact you in due course.

Holiday Clubs and Local Events – We have created a separate online newsletter which will have information on any holiday clubs and events. Please click [here](#) to view. We will advertise any village based events in the main newsletter.

IMPORTANT INFORMATION & REMINDERS

We are a nut free school as we have children who are allergic to nuts. Please remember this when preparing packed lunches or snacks and avoid food containing nuts such as chocolate spread and pesto.

If you need to drive to drop off or collect your child, please park with consideration of resident's drives, garages or access to roads. Please remember that parking on zig-zag lines at any time of the day is prohibited to ensure the safety of the children during the busier periods of the day.

A reminder to families to not use the staff car park when either dropping children to school or collecting them – this is purely for the safety of the children and staff. This does apply to drop off and pick up from Wrap Around Care and clubs.

If your child travels home on the bus don't forget to complete the **bus register on Arbor** before 9am on a Monday morning. Booking opens each week on a Friday afternoon.
